

QUICK START GUIDE TO ONBOARDING

1

Step 1: SSO & Two Factor Authentication

Click Log in with Organization: www.engagexai.io

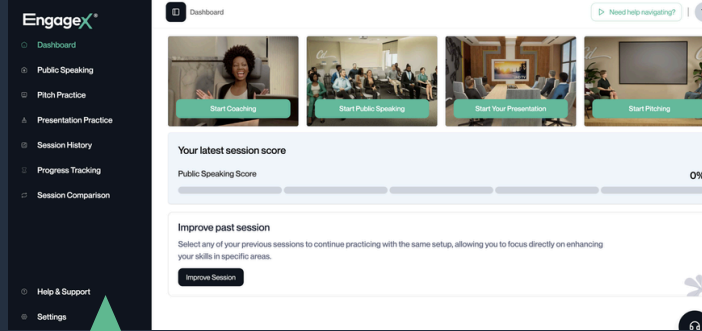

Our Login system allows you to gain access securely with Single Sign-On and Two-Factor Authentication. Ensuring your data is protected at the highest level so you can focus on performance, not passwords.

Note: Visuals represent iPad users as our most common user experience.

2

Step 2: Dashboard Details

The Dashboard gives you instant access to upcoming training, past sessions, progress stats, and quick links to your rooms for practice.

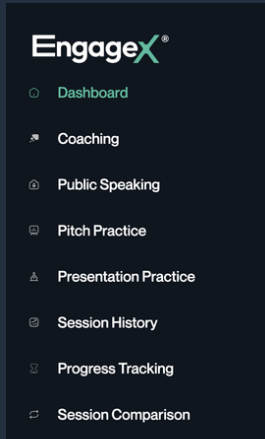

Note: Visuals represent iPad users as our most common user experience.

3

Step 3: Navigation Bar Specifics

Use the Navigation Bar to jump between rooms, view reports, track progress, and access your profile, all in one click.

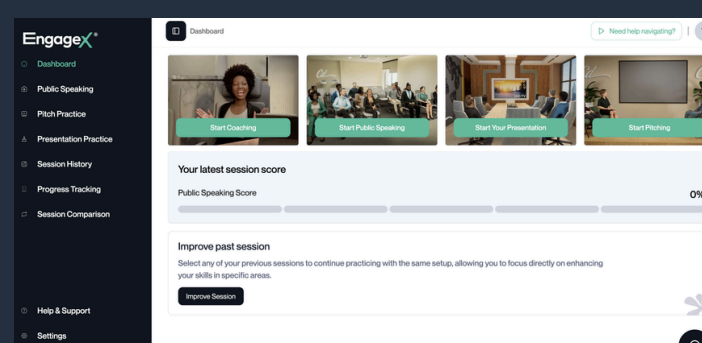

Note: Visuals represent iPad users as our most common user experience.

4

Step 4: Verticals

Here we have 4 training environments to sharpen every aspect of communication. Your organization has given you access to 4 verticals to practice.

Public Speaking, Pitching and Coaching.

Note: Visuals represent iPad users as our most common user experience.

5

Step 5: Reporting

Get access to detailed training performance reports to see strengths, opportunities, and next steps at a glance.

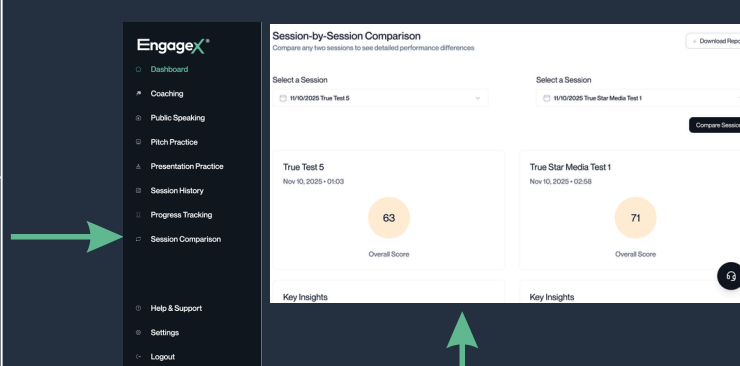

Note: Visuals represent iPad users as our most common user experience.

6

Step 6: Progress Tracking

Track progress toward your goals with visual dashboards that show your milestones and completion percentages.

This can be accessed by clicking Progress Tracking on Navigation.

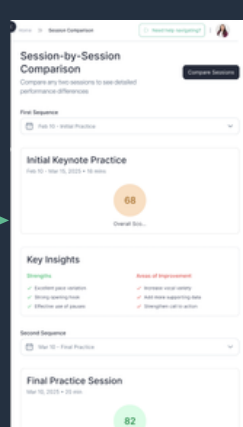

Note: Visuals represent iPad users as our most common user experience.

5

Step 7: Comparison

Compare your progress from session to session with ease.

Click Session Comparison the Navigation Menu to get started (Note: this feature can only be used after finishing at least 2 sessions).

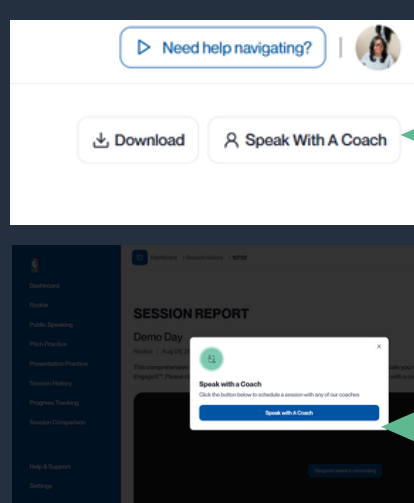

Note: Visuals represent iPad users as our most common user experience.

8

Step 8: No Access - Available Sessions to Contact a Coach

While your **free access** provides personalized feedback through the EngageX® platform, it **does not include** the live coaching sessions with a professional speech coach that are available with the paid version.

Note: Visuals represent iPad users as our most common user experience.
